

Narborough & Littlethorpe CC On-line Shop

Narborough & Littlethorpe CC has teamed up with CF Sports to launch a new on-line shop for its members. We believe that this partnership will have tremendous benefits for both the club and members alike.

We are now able to offer an extensive range of N&LCC branded products, available all year round, at very competitive, discounted prices. The club has negotiated commission on sales through the club shop, which will contribute to our overall fundraising effort. In addition, these branded products will enhance our club identity.

The shop gives you access to everything you need from playing & leisure wear to cricket equipment. And all garments are branded with club and sponsors' logos where appropriate.

Registering to use the on-line club shop couldn't be easier. Simply send a blank email from your own email account to n&lcc@cfssports.co.uk. You will get an automatic response with a token (access PIN) to be used in the registration process. Next, go to the My Account page of the www.cfssports.co.uk site and register as a new customer. During this process you will be asked to enter your details and token number (see screen shot on next page). This will enable the site to recognize you as a member of N&LCC. Once you are registered, you are free to buy on-line.

When you re-enter the CF Sports site using your email address and password, you will see various categories in a menu on the left hand side of the screen. The three key categories will be those headed: Narborough & Littlethorpe Cricket Club, Special Offers for Members and ProSkins Base Layers (where you will find the ProSkins clothing specific to cricket). If you have any problems please speak to your club shop administrator.
